Sub: PROVIDENT FUND - Account No.3222 of Dr.P.Ananda Rao - Ex-Medical Officer, L.F.Dispensary,Sullia-South Kanara District - Delay in settlement of account- Fact reported.

In enclosing para 21 (3) of the Audit Report for the year 1953-54 I have to state that Dr.P.Ananda Rao, who was an acting Medical Officer at L.F.Dispensary, Sullia on probation was deemed to have been discharged from service with effect from 2-4-1952, as he was on extra ordinary leave in excess of two months. Though the Proceedings discharging him from service from 2-4-1952 was issued on 6-8-1952, he did not apply for the payment of the Provident Fund amount at his credit for a very long time. The Medical Officer of the L.F.Dispensary, Sullia from where he was relieved did not also furnish the required particulars as per Rule 22 of Provident Fund Rules, to close his Provident Fund Account.

On 30-5-1953, Dr.P.Ananda Rao, Ex-Medical Officer sent an application for the settlement of his Provident Fund Account and the account was closed and the payment made on 15-7-1953, after obtaining the sanction of the Board for the payment in question. I request therefore that the Government may be pleased to condone the delay. Such delays are being avoided at present.

It is not usual to condone the delays in the final closure of provident fund accounts of employees of Dt. Bd. as there is no provision under the rules for condonation. It is enough if the P.D.B. is advised to avoid delays of this kind in future. In this case as the delay has been pointed out in audit, the P.D.B. may also be informed that the objection in audit will not be pursued.
